

KATTA HARSHA VARDHAN

PROFILE

I'm a passionate B.Tech student in Computer Science and Engineering (AI & ML) with a strong interest in solving real-world problems through technology.

I enjoy working on hands-on projects and have been building skills in Python, Java, and web development (HTML, CSS, JavaScript).

I'm a quick learner, a good team player, and always eager to explore new ideas and contribute to meaningful, tech-driven solutions.
